

BRENDA'S SPECIALTIES: Workshops | Talks | Specialized Performances | Healing

Much more than a powerful singer-songwriter, Brenda MacIntyre - Medicine Song Woman is also an internationally renowned **speaker and healer**. She brings spirit and authenticity that refreshes and inspires her audiences, in an all-in-one package for your events.

MOST POPULAR INTERACTIVE WORKSHOPS & PRESENTATIONS

- National Aboriginal Day **Cultural Talk & Performance** (for large groups)
 - Medicine Song Circle (**Stress Relief, Sound/Energy Healing** workshop)
 - Sing Your Self Alive! (**Finding Your Voice/Drum Teachings** workshop)
 - Healing Water (**Traditional Teachings & Water Songs** workshop)
 - Creating Confidence from Within (**Empowerment** workshop)
 - **Keynotes** on any of these topics plus women's and Native issues
- ➔ All include Native drumming, singing/chanting & cultural teachings
 - ➔ All talks/workshops spoken from the heart and spirit, *never* from a script and always geared to the group and theme at hand
 - ➔ All presentations promote inclusion and equality in a fun, safe, interactive format
 - ➔ Brenda sings solo with her frame drum, with side musicians or with original backing tracks from her latest CD
 - ➔ Brenda speaks on social change through personal empowerment, inspiration and a focus on positive outcomes, rather than taking a position of resistance.

PERFORMANCES WITH SPECIALIZED SONGS & "STORYTELLING"

*Brenda tells the story behind her songs at live shows, presentations and workshops, to create an audience connection and cultural awareness. Solo OR with side musicians OR with original backing tracks, depending on your needs.

- Custom-Created Songs
- Stress Relief/Relaxation Songs
- Opening & Closing Songs
- Call & Response Interactive Songs
- Energizing Songs
- Honour & Gratitude Songs
- Environmental & Water Songs
- Soul/Roots & Blues Music (with side musicians or original backing tracks)

HEALING SESSIONS

Brenda can offer one-on-one sound and energy healing sessions at women's conferences, festivals and other events.
